

Rack & Spur Hunt Club, LLC

2026 Rules, Regulations, Policies & Safety Standards

Effective January 1st, 2026

1. **Safety:** Safety is key to enjoying the outdoors and our #1 priority. Rack & Spur Hunt Club, LLC, follows all laws and regulations declared by South Carolina Law and enforced by the South Carolina Department of Natural Resources and other South Carolina Law Enforcement agencies. All laws and regulations related to hunting and other activities must be followed. In addition to the laws of the state of South Carolina, Rack & Spur Hunt Club, LLC has additional rules, regulations, policies and safety standards in place that must be adhered to at all times. Failure to follow these can result in fines and/or dismissal from the club. These safety standards can be changed at any time by the club leadership for the purpose of enhanced safety for our members and visitors while on club property. Additional club safety standards are:
 - a. **Communications.** Always have a means to communicate with someone (e.g. a cell phone).
 - b. **Minors.** No one under the age of 18 can hunt on the property without a parent or guardian who is a Rack & Spur Hunt Club, LLC member AND present with that person in the same stand. This is as per our lease agreements.
 - c. **Blaze Orange.** During deer Primitive Weapon and Rifle Season, everyone must wear blaze orange (hunters orange) at any time they are entering or exiting a hunting area, entering or exiting a stand, or are on the ground.
 - d. **Flashlight.** Everyone must use a flashlight during the hours of darkness when entering or exiting the property or on the ground during the hours of darkness for any reason.
 - e. **Never** leave a hunting area at night unless you know everyone in that hunting area is accounted for. Don't leave a fellow member in the woods unaccounted for.
 - f. **All members and visitors** must sign a release of liability form **prior to** participating in any activity on Rack & Spur Hunt Club, LLC property.
 - g. **Profanity.** Rack & Spur Hunt Club, LLC promotes an atmosphere of respect and family. Please refrain from using excessive profanity. If possible, please refrain from the use of any profanity.

2. Draw days, Signing in/out & Entering & Exiting hunting areas.

- a. There will be a draw at the clubhouse every opening day of Turkey Season, Deer Bow Season, Deer Primitive Weapon Season, and Deer Rifle Season, and every Saturday of that particular season. The only exception to this is for late deer season. After Thanksgiving, there will not be a draw at the club house and all hunters may go directly to the tracts.
- b. The draw is held at 5:30 AM at the clubhouse. Those that wish to hunt their club or IP stands may hunt these without participating in the draw, however you must be at the draw where you will be given the opportunity to claim your stand prior to those that are participating in the draw. **Stands CANNOT be signed in for prior to 5:30 AM on the day of the hunt.**
- c. Make certain you sign in and out appropriately for ALL scouting and hunting activities and that you sign in and out with your COMPLETE name and the other information required on the sign in/out sheets as in this example:

Date	Participant: First Name, Last Name	Memb er or Visitor	Tag #	Tract #	Stand #	Time In:	Time Out:	Comments (Harvest)
09/15/15	John Wayne	M / V	1	1	1	0600	1200	14 Point

- d. **On Saturday draw days only, ALL stands are signed in and out for at the clubhouse for all hunts NO EXCEPTIONS!**
- e. **On Saturday draw days only,** you can sign in at the clubhouse for a hunt and place the letters "NCB" (Not Coming Back) in the comments section. This eliminates the need for you to travel back to the clubhouse to sign back out.
- f. On days other than draw days and any day after Thanksgiving (for deer season), members can go directly to the tract of land to sign in and out keeping in mind that **everyone must sign in and out. You CANNOT sign in for a stand prior to 5:30 AM the day of the hunt. You cannot use NCB at the individual tracts of land. You must put the TIME IN and TIME OUT in the sign in/out book.**

- g. **TURKEY SEASON ONLY.** The tracts are separated into sections, usually denoted on the map in the map room and at the sign in/out board at the tract. On opening day and every Saturday, the hunter will sign in for a section and tag out on the map in the map room at the club house and ALSO at the sign in/out board at the tract. If the bird goes beyond the boundaries of the section the hunter is signed in for and they would like to stalk the bird, the hunter must go back to the sign in/out board at the tract and sign out from the section they were on and sign in for the section they want to move to, permitted there is no one else already hunting that section.
- h. **Entering and Exiting Hunting Areas.** Always take the most direct route in & out of the property. For morning hunts, if daylight has broken, do not go past anyone that has already taken a stand until after **10:00 AM** and for evening hunts, do not go past anyone within **2 hours** of dark until after legal shooting time. You should stay in your stand until at least 10:00 AM and until after legal shooting time in the evenings unless you have a medical emergency or need to retrieve a harvest.

3. Vehicle Travel on the Properties.

- a. Vehicle travel will be restricted on all tracts after Labor Day weekend unless the member is retrieving a harvest, or there is a medical emergency.
- b. Vehicle travel is allowed on certain designated ATV trails during hunting seasons. These trails are clearly defined as a red trail on the club maps or by red dots to mark the end of a designated ATV trail. With the exceptions of retrieving a harvest or a medical emergency, travel beyond the end of a designated ATV trail is by foot only.
- c. Foot travel for scouting after Labor Day is available between 11:00 AM and 4:00 PM on Sundays only. Members must sign in and out to scout a hunting area. Please ensure there are no hunters in the area you intend to scout.
- d. Any member confirmed to be accessing club properties after Labor Day weekend outside the guidelines above or without special permission from the club's leadership, will be assessed a fee of **\$50** for each occurrence.

4. Record Your Harvest.

- a. **ALL** harvests must be recorded in the sign in/out book at the tract and on the main harvest board in the map room at the clubhouse as soon as possible, providing all information requested.
- b. All sightings of any wildlife (deer, turkey, coyotes, foxes, etc.) must be recorded on an observation card and placed in the collection box in the map room. This is very important for us to maintain our leases, as this is a requirement of the lease terms.

5. Stands.

- a. Every 1st year member is required to rent a stand for a fee of \$100 (included in membership dues). This is for the first year only and a tract coordinator will work with you for this stand assignment.
- b. All 2nd members are required to provide a club approved stand that is at least 4x5 with a chair, roof, walls, and appropriate window wrapping, that will seat an adult and a child (two chairs/seats). We also have a local supplier from which members may purchase club approved stands. These stands are 4x6, and come with a roof, floor, and ladder, but the side walls, window wrap, and chairs must be provided by the member. The 4x6 stands sizes currently are, a ground blind, 5 ft., 7 ft., and 10 ft. Pricing for the 4x6 stands varies by size and pricing will be provided each year upon request. Club stands remain the property of Rack & Spur Hunt Club, LLC.
- c. All new stands are required to be at the club house and ready to be installed no later than the first Saturday in May. Installation will be scheduled by the club's leadership.
- d. Members are responsible for maintaining their rental stand or club stand making sure they are in good condition, safe, and huntable by September 1st.
- e. While trimming lanes are a part of our scheduled work days, each member is ultimately responsible for ensuring the shooting lanes at their club stand are trimmed appropriately and ready to hunt by September 1st.
- f. Rack & Spur Hunt Club, LLC will monitor all club stands. Stand owners who are neglectful in maintaining their stand will be notified of the required corrective action. If that corrective action is not taken by September 1st, Rack & Spur Hunt Club, LLC reserves the right to make repairs and charge the member appropriately and/or limit club activities of that member until corrective actions are complete.
- g. Respect the stands. Do not modify someone else's stand (e.g. cutting/removing wrapping). Whatever you take into a stand, take it out with you. If it is determined that a member is leaving trash behind or littering the property, Rack

& Spur Hunt Club, LLC reserves the right to limit/eliminate club activities for the member and/or assess that member with a fine of **\$75 per incident**. **Littering our properties can cause us to lose our lease!**

- h. **IPS (Independent Personal Stands)** – Once a member has installed their club stand, and are at least a 2nd year member, they may request to put up an IP stand for a fee of **\$150 (this is an annual fee)**.
 - i. An IP stand is a stand that can only be hunted by the owner or by another member or guest if permission is requested and granted by the owner of the IPS.
 - ii. No permanent stand, lock-on, climber, or other portable stand may be installed within 200 yards of an IPS.
 - iii. IP stand location must be approved by the club president **PRIOR** to installation.
 - iv. IP stands must be installed by June 1st.
